Score	Description

	2 pts - Descriptive Title / Group Information
	
	   2 / 2 pts - Title is well selected / thoughtful, all group information present
	   1 / 2 pts - Title is generic / unfocused, missing contact info / names

	10 pts -> **Overview of the past** - How was it done pre-IoT?
	
	   10 / 10 pts - The project cleanly articulates the past (pre-IoT) with a reasonable time frame
	   7 / 10 pts - The project does a decent job of describing past work but blurs between the past and current trends
	   4 / 10 pts - Not much detail / overview of how things were done previously

	20 pts - **Current Trends** / Inclusion of IoT - What is going on now?
	
	   20 / 20 pts - At least two technologies are explored quite well with regards to what is happening now
	   16 / 20 pts - Reasonable discussion at a reasonable level of detail but a bit sparse at times
	   10 / 20 pts - One current technology is done well, the other is unclear as to timing or detail
	   5 / 20 pts - Some discussions of technology but neither deep nor focused

	15 pts - **Future Impact Area(s)** - At least one area that could dramatically change things
	
	   15 / 15 pts - One area discussed that could have significant implications related to the area
	   10 / 15 pts - The advancement could be happening now or in the future, unclear but definitely
	    impactful and explained
	   6 / 15 pts - More of a current technology rather than a significant impact
	   3 / 15 pts - Unclear as to future or current or what exactly the impact is of the technology

	12 pts - Polish / attention
	
	   12 / 12 pts - Video is well structured and well-rehearsed / presented
	   9 / 12 pts - Done reasonably well but hard to hear or follow at times
	   6 / 12 pts - Some strong points but rushed a bit and unfocused at times
	   3 / 12 pts - Very rushed, bad audio / transitions or technical problems

	6 pt - Submission guidelines
	   1 pt - Video is shared without issue
	   3 pts - Video is within the time limit
	   2 pts - All members have a speaking role

	Total Score (Out of 65)
